No. NMPA/TM/2026 **Date: 03 .11. 2026**

TRADE NOTICE

The PPP operator of NMPA container terminal (MCTPL) have successfully commissioned the Phase-2 of the project with additional Mobile Harbour Crane(3rd MHC) and having developed additional storage area (custom bound) near to Berth no.14 of around 75,000 Sqm. with inclusion of many shore handling equipment in addition to the existing facilities.

It is hereby notified by Port that the Phase-2 has been commissioned on 20.08.2026 with additional handling facilities at PPP berth (B.no.14) and hence the deployment of 3rd MHC by the PPP operator is made mandatory for handling container vessels at B.no.14 and to improve the productivity of the berth and vessels as a whole.

Hence all the Container Liners calling to JSW Container terminal of NMPA (Main Line and Feeder) are requested to plan the loading/unloading sequence of vessels for NMPA for utilizing the improved handling facilities /infrastructure with deployment of additional MHCs(3 MHCs) at B.no.14 and other supporting facilities after commissioning of Phase-2 of the PPP project, subject to safety of handling operations and in close co-ordination with the terminal operator to maximize the utilization of the facilities.

This may be given wide publicity to Container Trade to derive the benefits and opportunity of improved handling facilities developed by the terminal operator M/s MCTPL.
