No.NMPA/TM/IOF-Exp-Rebate /26-27

Date: 23.09.2026

TRADE NOTICE

Subject : Incentive Scheme – Rebate of 20% on Cargo-Related Charges for Export of Iron Ore Fines/Lumps through New Mangalore Port - Reg

******

New Mangalore Port Authority (NMPA) is pleased to introduce an incentive scheme providing a **20% rebate on cargo-related charges (wharfage)** for eligible **Iron Ore Fines/Lumps export cargo** handled through New Mangalore Port, with a view to enhancing the competitiveness of the Port and promoting incremental cargo volumes.

1. Objective of the Scheme

The scheme is intended to:

- Enhance the competitiveness of New Mangalore Port vis-à-vis neighbouring ports;
- Attract new Iron Ore Fines/Lumps export cargo to NMPA;
- Encourage existing exporters to increase their export volumes through NMPA; and
- Strengthen long-term business relationships with Iron Ore exporters and promote sustained cargo growth.

2. Concession in Wharfage Charges

A **rebate of 20% on cargo-related charges (wharfage)** shall be admissible on eligible Iron Ore Fines/Lumps export cargo handled through New Mangalore Port, subject to the terms and conditions specified in this Trade Notice.

3. Eligibility Criteria

a. For New Exporters

For a **new Iron Ore Fines/Lumps exporter**, the rebate shall be applicable to the additional cargo handled over and above the qualifying quantity of **1,00,000 MT** handled through New Mangalore Port during FY 2026-27.

The qualifying quantity shall be considered for determining eligibility under the scheme, subject to verification by the Traffic Department.

b. Existing Exporters

In the case of an **existing exporter who has handled Iron Ore export cargo through New Mangalore Port during FY 2025-26**, the quantity handled during **FY 2025-26 shall be considered as the base-year quantity**.

The rebate shall be applicable only to the **additional/incremental quantity handled over and above the quantity handled by the exporter during FY 2025-26**, subject to the other conditions of the scheme.

4. Basis for Calculation of Rebate

The incentive shall be calculated based on the exceeded **eligible iron ore fines/lumps export cargo when compared with 2025-26**.

The rebate shall be calculated only on the eligible incremental/new cargo qualifying under the scheme.

5. Release of Accumulated Rebate

The rebate amount accumulated during the financial year shall be **released after completion of FY 2026-27**, subject to:

- Verification of the eligible cargo volumes handled;
- Verification of the corresponding cargo-related charges paid/payable;
- Compliance with the conditions and guidelines of the scheme; and
- Certification/verification by the Traffic Department.

6. Scheme Period

The scheme shall be valid **from the date of issue of this Trade Notice up to 31.03.2027**.

The iron ore fines/lumps export vessel should be berthed on or before 23:59 hours on 31.03.2027.

The cargo handled during the above period shall be considered for determining eligibility and calculating the rebate, subject to the applicable conditions of the scheme.

7. General Conditions

a. The rebate shall be applicable only to **Iron Ore Fines/Lumps export cargo** qualifying under this scheme.

b. The benefit shall be subject to verification of actual cargo handled through New Mangalore Port.

c. In the case of existing exporters, only the incremental quantity over and above the FY 2025-26 base-year quantity shall qualify for the incentive.

d. The rebate shall be subject to compliance with all applicable rules, regulations, tariff provisions and operational requirements of NMPA.

e. Any matter relating to interpretation, eligibility or calculation of the rebate shall be decided by NMPA in accordance with the applicable provisions of the scheme.

f. The rebate shall be released only after completion of FY 2026-27 and completion of the necessary verification process.
