Subject: Waiver of Ground Rent charges for Middle East bound export containers stranded inside port area due to geo-political disturbances.

Ref: Trade Notice dtd. 17.03.2026 & 09.04.2026

In compliance with the Ministry of Ports, Shipping and Waterways directives dated 6th March 2026 regarding Standard Operating Procedure (SOP) for Major Ports to mitigate the impact of geo-political disturbances in the Middle East, read with Sections 27, 50, 53 & 75 of the Major Port Authorities Act, 2021, Clause 7.7 of the Tariff Policy for Major Port Authorities Act, 2021, and relevant provisions of the respective Concession Agreements executed with the Concessionaires, NMPA issued a Trade Notice on 17.03.2026 for immediate compliance of all concerned in order to mitigate the hardships faced by the port users due to the ongoing geo-political disturbances in the Middle East.

The competent authority has decided to extend the validity of the waiver on the following charges upto 30.04.2026.

In line with the MoPS&W directives, NMPA is committed to extend all possible assistance to the EXIM community to tide over this crisis situation. NMPA has decided to offer waiver on charges like ground rent and reefer plug-in charges to the stranded export containers.

The following measures have already been taken by the Port to give relief to the EXIM community:

1. Facility to store stranded containers in the terminal's container yards till the cargo is shipped out.
2. NMPA and the Terminal are in constant consultation with Customs Authorities to facilitate storage of laden containers from other ports destined to Middle East, as temporary transshipment cargo at DPA terminal.
3. NMPA is also providing additional storage area to the terminal for stacking such additional cargo.
